

**THE BRISTOL ROBOTICS
LABORATORIES**

ECOBOT

towards true energy
autonomy

Dana Centre
22 January 2008

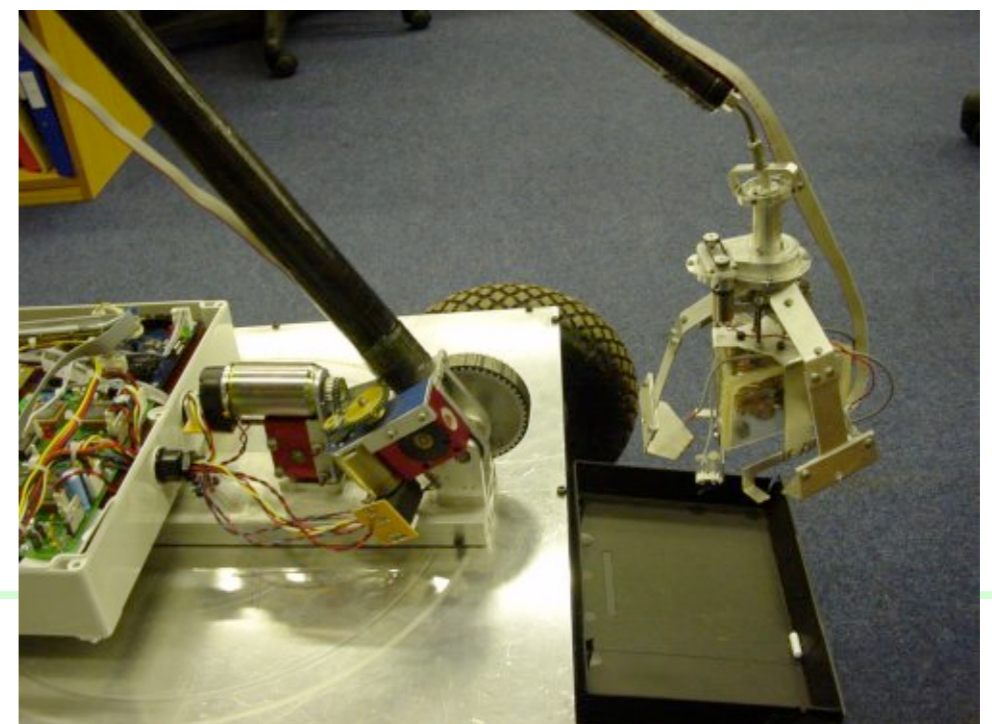

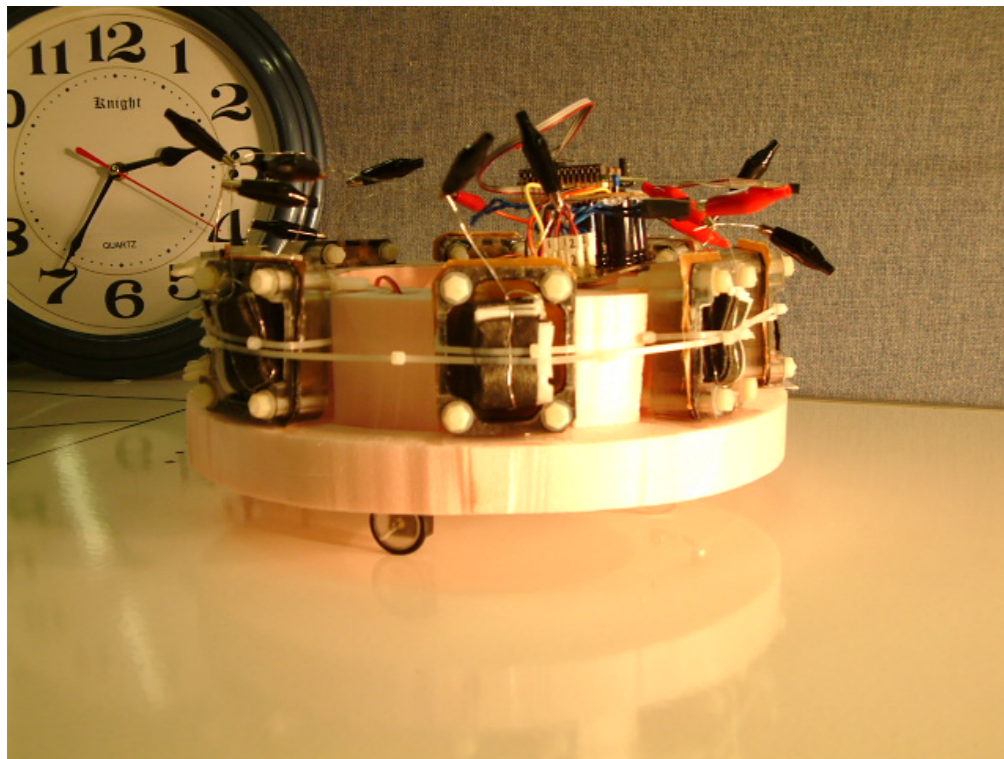

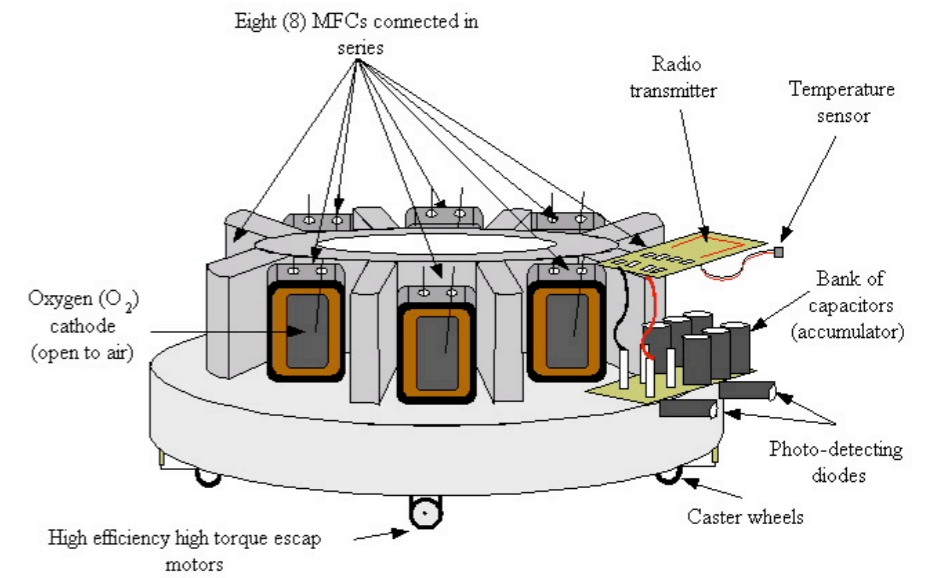

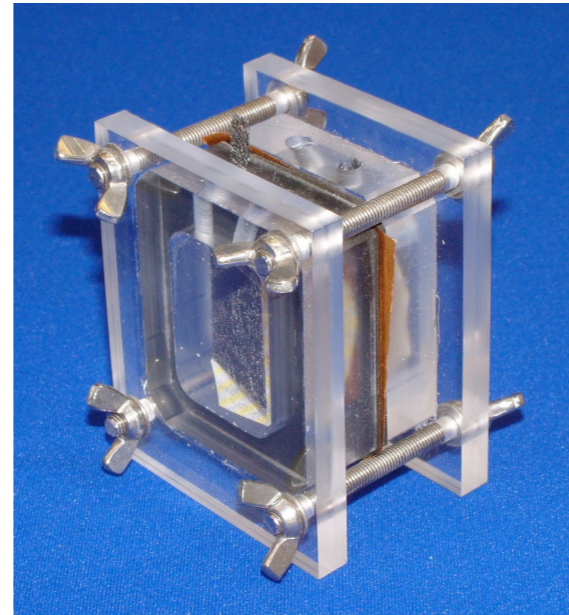

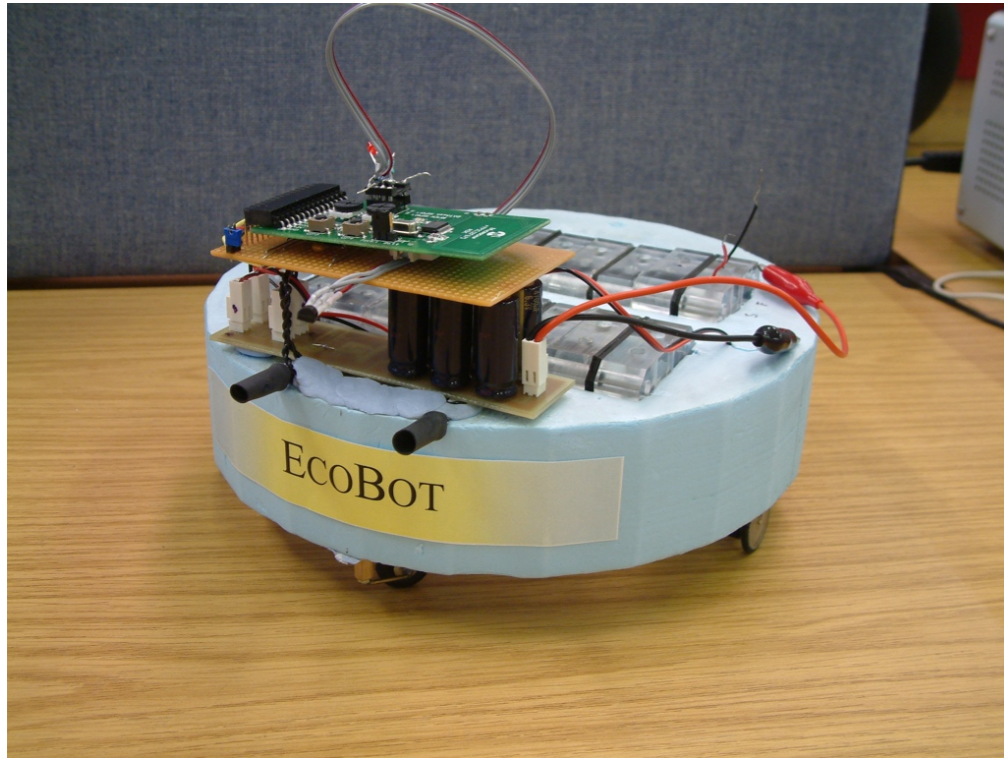

Alan Winfield and Claire Rocks,
Bristol Robotics Laboratories <http://www.brl.ac.uk>
Walking with Robots <http://www.walkingwithrobots.org/>

Towards True Autonomy - *Slugbot*

- The world's first attempt to build a robot predator
[Holland, Melhuish, Kelly]

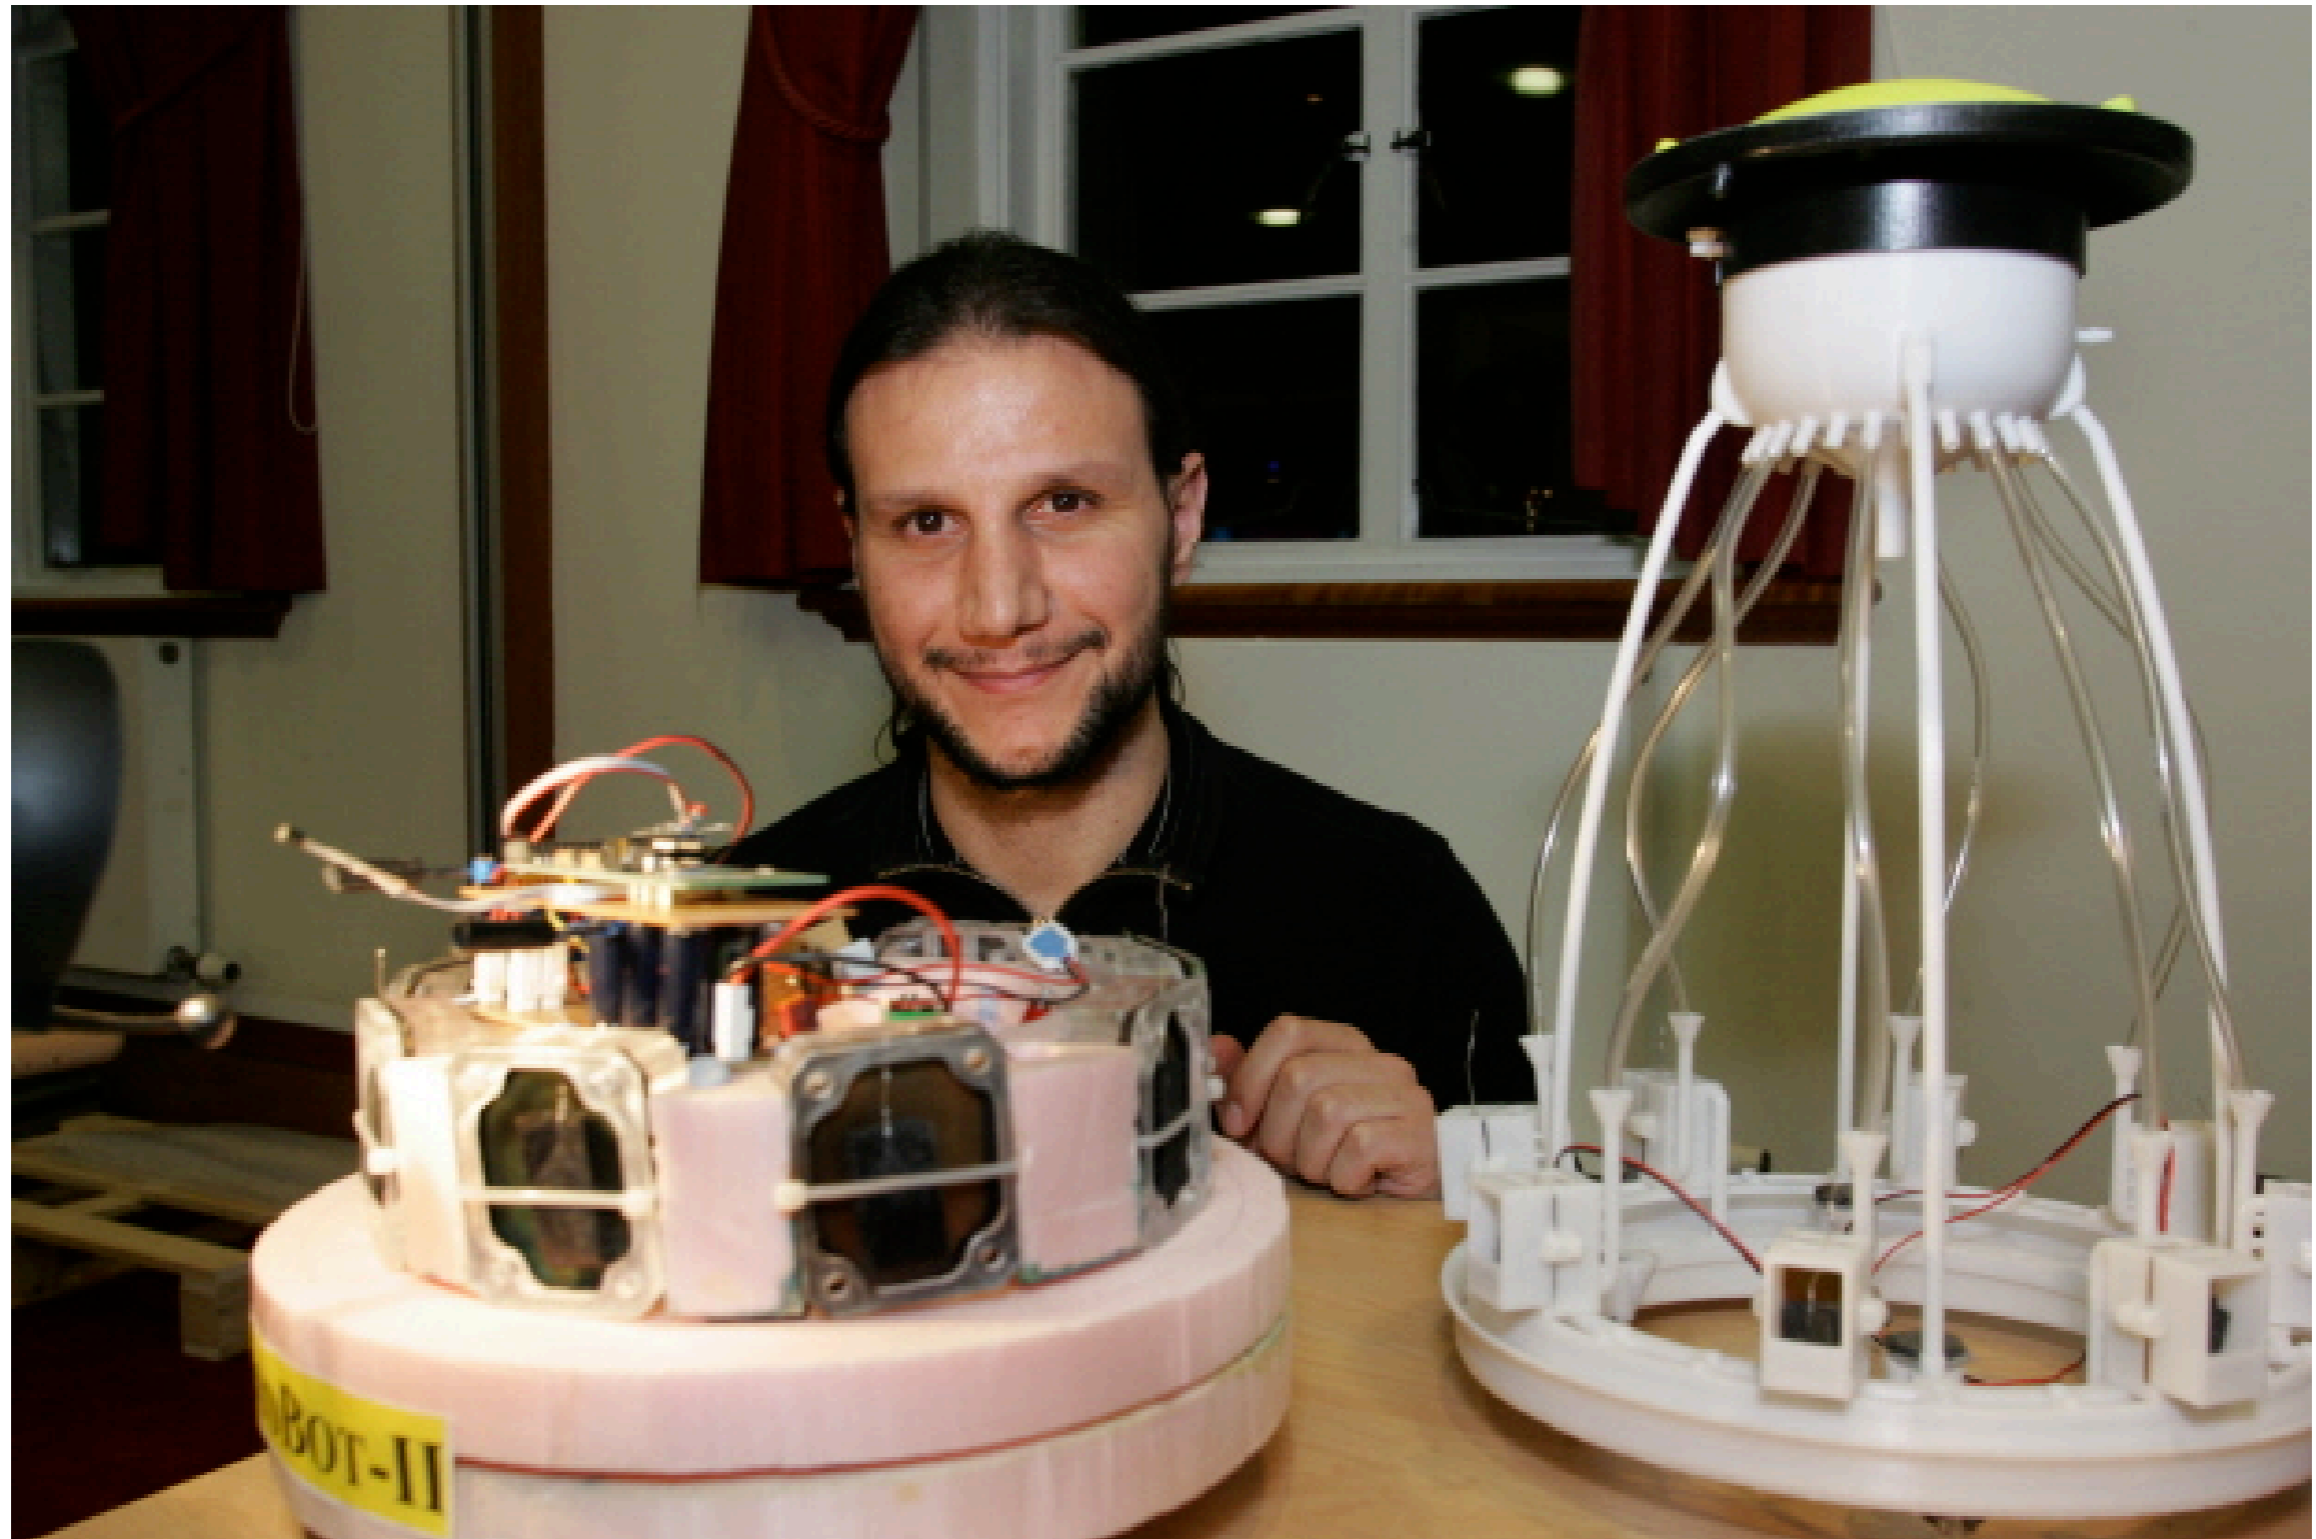

Ecobots I and II

[Greenman, Melhuish, Ieropoulos]

Towards Ecobot III

[Greenman, Melhuish, Ieropoulos]

Acknowledgements

- Slugbot and Ecobot inventors:
 - Prof Chris Melhuish
 - Prof John Greenman
 - Dr Ioannis Ieropoulos
 - Dr Ian Kelly (now USC)
 - Prof Owen Holland (now Univ Essex)
- Funded by:
 - EPSRC
 - European Union FP6
